President's Message

Fellow Lions,

I am extremely proud to be a Smithfield Lion and equally proud to serve as your new president. I would like to thank each and every one of you for your hard work and dedication over the years. Our club is a unique and vibrant asset to the city of Smithfield. Our past presidents have provided a solid foundation and strong direction for our future.

My plan as president is to follow the path that has been set and take advantage of opportunities that can enhance our club and the citizens of Smithfield and Isle of Wight County. Our mission is to continue to grow as a club and we need to focus our efforts in bringing new prospective members to our meetings. As we have been designated ambassadors of Smithfield we must always be aware of our obligation and responsibility to serve each and every citizen of our community. As the Smithfield community grows in population, we, as a club, need to grow to meet those demands. Lionism is a gift to be shared and our club is blessed to have so many dedicated and selfless members.

Lion Terry

Remember to bring spare change to the July meeting. Donations are going to volunteer fire departments!
