### President's Message

Fellow Lions,

Thanksgiving is approaching and I would like to take this time to personally thank each one of you for your time and support of all our club's activities this past year. We are very fortunate to be blessed with such a wonderful group of dedicated people. The Cruz-In's have been the foundation of our fundraising, coming in with a record number of cars for the third consecutive year. The White Cane collections at the Ace Hardware Store continue to be a good source of revenue for the Activities Account. The spare change that we collect at our meetings is very much appreciated by the Rushmere Volunteer Fire Department. Broom sales continue to be a source of funds. Many of our members have spent a great deal of time making these projects successful.

We are rewarded with the knowledge that we have been able to help so many in our community. The Riverside Nursing Home has been supported each month in a variety of ways such as Bingo games and movies. The delivery of the Holiday food baskets at this time of the year is another opportunity to share our bounty with the less fortunate.

As our activities continue to grow, we need to concentrate our efforts in increasing our membership.

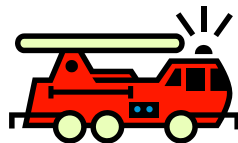

*\* Please bring bags/boxes of stuffing mix, French fried onions, turkey gravy and cranberry sauce to the November meeting ☺*

My challenge this season is to ask each member of our club to bring a guest as a prospective member to our December meeting in lieu of the gift exchange. This will enable us to even better serve the Smithfield and Isle of Wight communities.

Lion Terry Castonguay
