### President's Message

Fellow Lions,

I'm very proud to announce our club is growing and we're getting outstanding people to join the Smithfield Lions. During our April monthly meeting, we'll induct Mr. Aaron Hill into the fold. Aaron represents our seventh new member in the past three years. With each new member, our club acquires more talent, energy and strength. This is an understatement when you're referring to Aaron!

Allow me to share a recent press release pertaining to Aaron. "Isle of Wight County Schools is pleased to announce the 2012 Teacher of the Year, Mr. Aaron Hill. Hill earned his Bachelor of Music degree from CNU in 2001 and his Master of Science in Management from Troy University in 2006. . . Prior to his teaching career, Hill served in the U.S. Army as the Jazz Band Instructor for the U.S. Continental Army Band at Fort Monroe. He also is the sponsor of the Smithfield H.S. Leo Club. . . Aaron's commitment to his students, his school, and his community is unparalleled."

Community service, Leo Sponsor, and lots of skills—sounds like Aaron's going to be a great Lion! And, as we all know, Aaron was instrumental in chartering not only the newest Leo club in the world—but a rather large one at that. Our Leo club now has at least 21 members. Add to it that Aaron and the Leos are a welcomed feature at our nursing home activities.

Please continue your efforts to recruit great new members and join me in welcoming Aaron into the Smithfield Lions! I am proud to serve with you, my fellow Lions.

Lion Terry Castonguay
